SPA BASICS

Choosing treatments

Our spa team will be pleased to advise you to ensure you choose treatments specifically suited to your spa needs. Treatments may be combined to make unique spa experiences.

When to arrive

To enhance your spa experience, we encourage you to arrive 20 minutes prior to your treatment. This will allow time for you to complete a consultation form, and in some cases indulge yourself with one of our luxurious robes and a pair of spa slippers. Leave your cares at the door and unwind in our calming, therapeutic and relaxed tranquillity lounge. Giving yourself time prior to your treatment will help to optimise the overall effect of your visit to Stephanies® and completely re-balance your mind, body and spirit.

What happens if I am late

Arriving late will simply limit the length of your treatment and therefore lessen your time spent with us. Treatments will always finish as scheduled in order to not delay and inconvenience the next client.

During your visit

On arrival our spa receptionist will greet you and ask you to complete a health and wellbeing form. For some of our therapies you will be required to change into a spa robe and slippers and we will provide a personal locker for your belongings. If your treatment does not require you to change please wear clothing that you are comfortable in. Please leave your valuables at home as Stephanies® cannot take responsibility for belongings left unattended in the spa. We provide:

- Robes, slippers and towels
- Private change rooms, toiletries, showers, lockers and hairdryers
- Seasonal fruit sorbet, herbal tea, and citrus infused water, signature refreshments
- Complimentary parking

Pregnancy

We recommend that you wait until your second trimester to enjoy massage and body therapies and there will be some spa therapies that you will not be able to experience during your first trimester and throughout your pregnancy, however you can relax and enjoy skin therapies and hand and foot therapies at any time during your pregnancy. Please inform reception upon your time of booking regarding your pregnancy. We are happy to advise you on suitable treatments for you during this special time.

Medical conditions

Please inform your spa receptionist and spa therapist of any health concerns that you may have when making your booking and when completing your health and wellbeing form. Our expert therapists can correctly advise on special conditions.

Cancellation policy

Cancellation or rescheduling of your appointment is free of charge if made 24 hours in advance. A credit card number is required at the time of booking to secure your spa appointment. If you fail to show for your appointment without notice to Stephanies® the total treatment cost will be charged.
